Todoroki's second bike (or should I say, first bike), Todoro-x2.

Anchor RNC3.

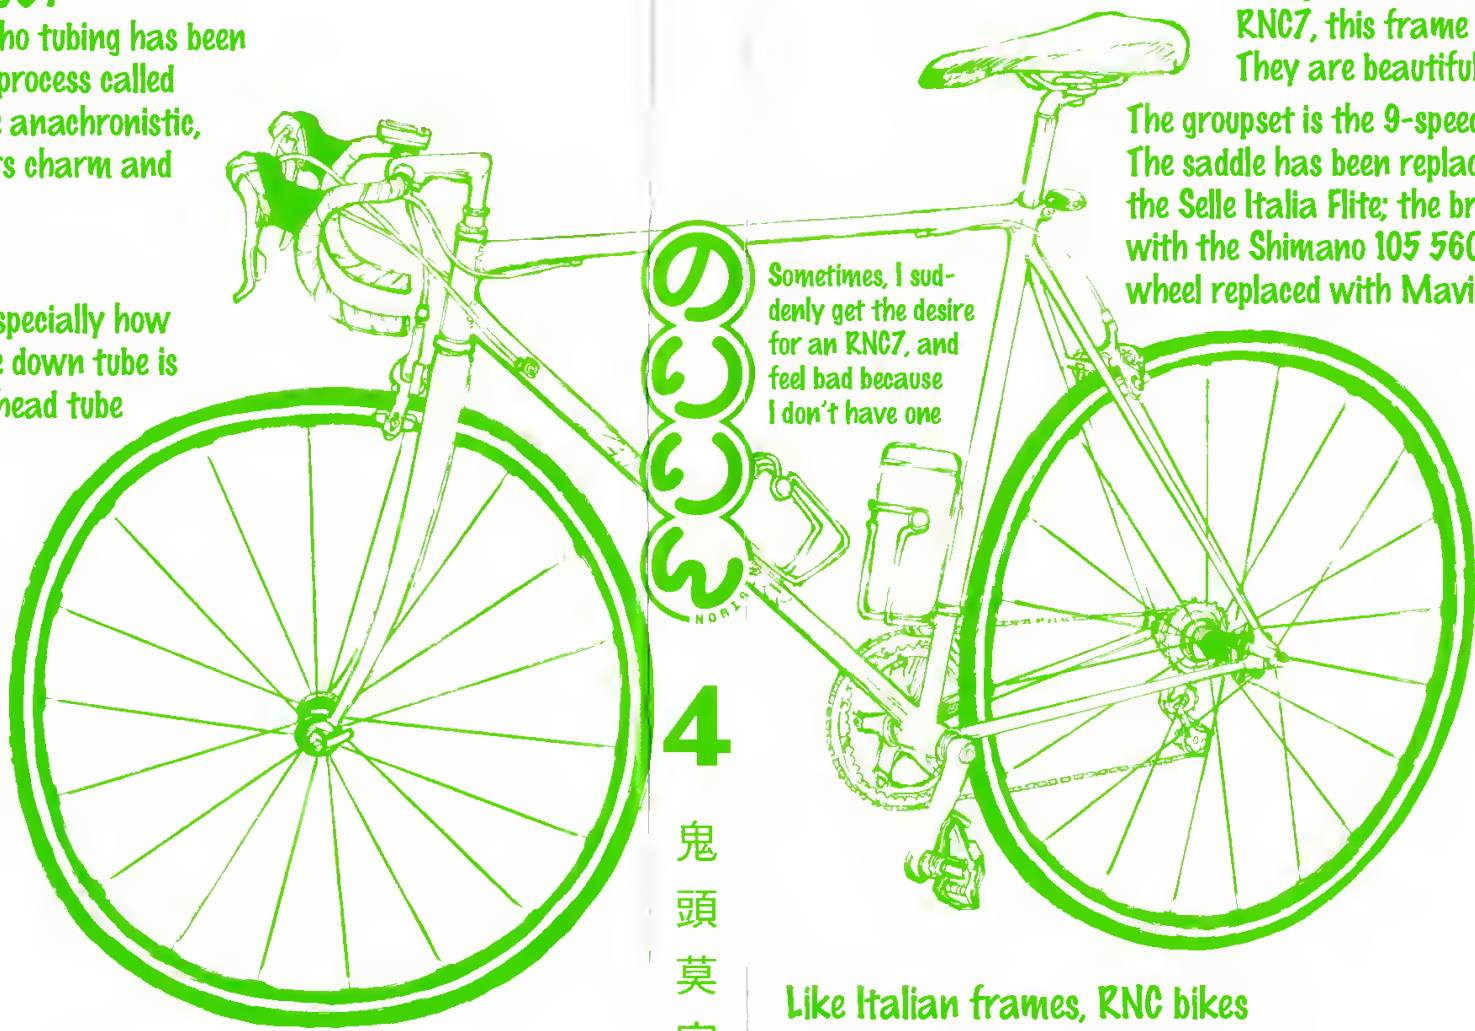
It's a CRMO bike who tubing has been modified through a process called "neo-cot." It's quite anachronistic, but that's part of its charm and individuality.

I like how it looks, especially how the top tube and the down tube is connected with the head tube

Even though it's made from metal, the tubing has been changed to have a smooth cross-section.

Along with the more expensive RNC7, this frame worth a look. They are beautifully shaped.

The groupset is the 9-speed 4500 Tiagra. The saddle has been replaced with the Selle Italia Flite; the brake replaced with the Shimano 105 5600; and the wheel replaced with Mavic Ksyrium Elite.



Sometimes, I suddenly get the desire for an RNC7, and feel bad because I don't have one

The Ksyrium wheels are good enough, but they look like they could do better. Nevertheless, they're good, sturdy wheels

講談社

Like Italian frames, RNC bikes should be preserved and doted on for a long time.

Chapter 30	Yet Another Argument	127
Chapter 31	Yet Another Competition	151
Chapter 32	The Shape of a Partner	175

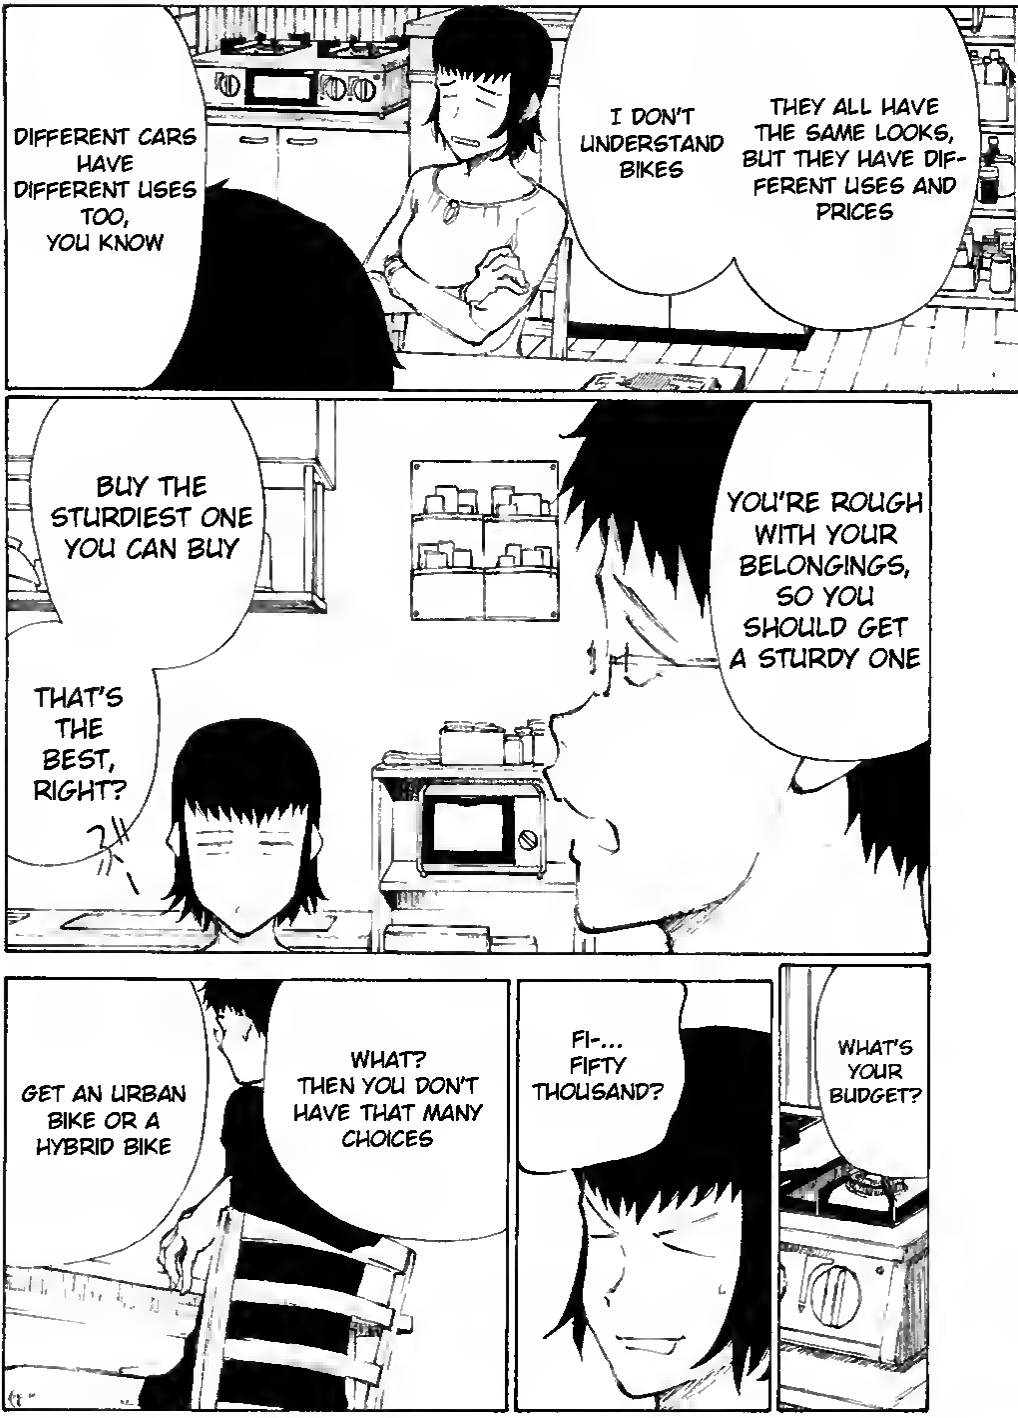
Rin's equipment for going to school on a rainy day
Spare helmet
Cycle cap to block rain drops
SPD shoes used for mountain bikes so she doesn't slip and fall

ボ
オ オ オ
YOU KNOW, RIN-CHAN---

IS SIMILAR TO ODZU-CHAN, HUH
HUH? HOW SO?
SHE'S NOT LIKE HER AT ALL

AND YOU'RE COMPARING APPLES AND ORANGES...
ODZU IS MORE PRUDENT THAN HER
YOU---
HOW KIND OF YOU
SAME WITH MOMO
WE'RE NOW FRIENDS
WELL, THAT'S 'CAUSE WE'RE IN THE SAME YEAR
TODORO?
IS THAT ALL?
YOU SEEMED TO HAVE FUN TALKING WITH HIM
HOW ARE YOU GETTING ALONG WITH TODOROKI?

NO
WANNA COME ALONG?
I'M THINKING OF GOING TO A BIKE STORE WITH MINAMI AND GANG
BUT I DON'T KNOW WHAT BIKE I SHOULD BUY
I'VE BEEN LOOKING ON THE WEB FOR BIKES
NO WAY
YOU SHOULD COME---
YOU CAN JUST GO WITH APPEARANCE FOR CARS,
BUT THERE ARE LOTS OF DIFFERENT KINDS OF BIKES WITH DIFFERENT USES
GO WITH YOUR FEELINGS
WHY DON'T YOU JUST BUY THE BIKE YOU LIKE?
THEY'RE NOT LIKE CARS



DIFFERENT CARS HAVE DIFFERENT USES TOO, YOU KNOW
I DON'T UNDERSTAND BIKES
THEY ALL HAVE THE SAME LOOKS, BUT THEY HAVE DIFFERENT USES AND PRICES
BUY THE STURDIEST ONE YOU CAN BUY
YOU'RE ROUGH WITH YOUR BELONGINGS, SO YOU SHOULD GET A STURDY ONE
THAT'S THE BEST, RIGHT?
GET AN URBAN BIKE OR A HYBRID BIKE
WHAT? THEN YOU DON'T HAVE THAT MANY CHOICES
FI-... FIFTY THOUSAND?
WHAT'S YOUR BUDGET?

A FOLDING BIKE IS GREAT FOR US
BUT EVENTUALLY NO ONE WILL BOTHER TO FOLD IT
YOU CAN ALSO GET A CUTE ONE LIKE KUMA-SAN'S BIKE, OR A FOLDING BIKE
IF YOU WANT TO RACE WITH TODOROKI-SAN,
THEN YOU HAVE TO GET A ROAD BIKE
ME? RACE?
I'LL LEAVE THAT TO YOU,
BIG BROTHER

DON'T TELL ME
THAT YOU'RE GOING TO QUIT BIKING
DON'T JUST ASSUME THAT I'LL DO IT
I'M NOT GONNA DO IT
YOU'RE NOT GOING TO RACE
AFTER ONE YEAR?

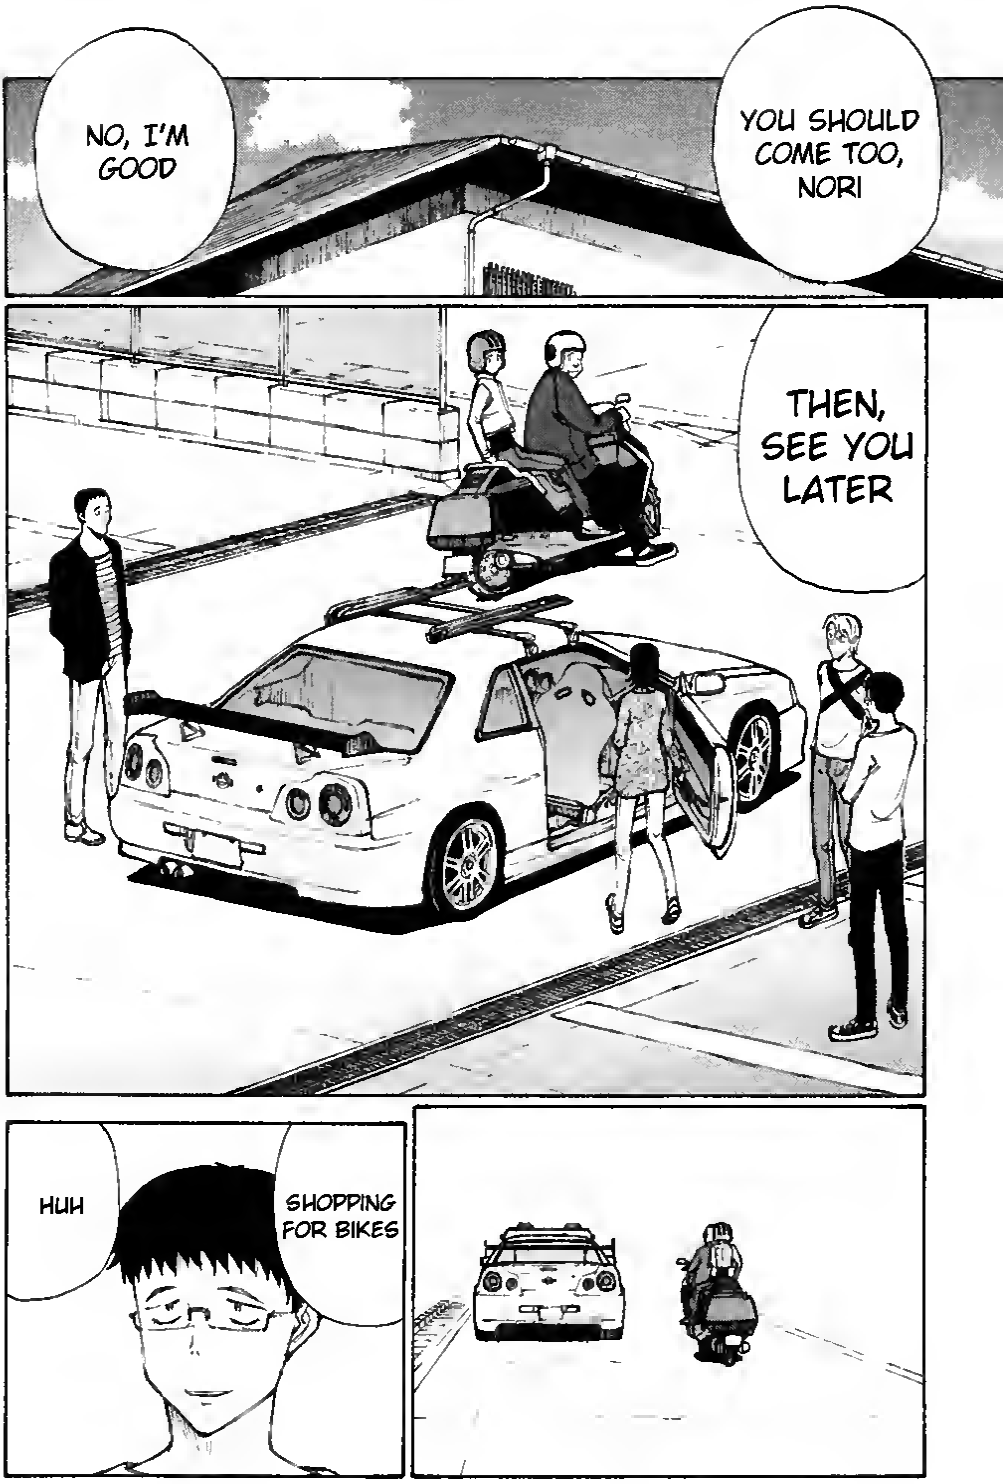
ズズッ

SURE IS TOUGH---
BIKING IN THE RAIN, HUH
I JUST KNOW HOW SHE RIDES SOMEHOW
IS THAT RIN-CHAN?
ア?!
SHE'S LIKE ODZU?

オ
オ
オ
HUH? MARIKO-KUN,
YOU DIDN'T BIKE HERE?
PLEASE STOP WITH YOUR JOKES,
IZU-SAN

I DID SOME RESEARCH ON BICYCLES YESTERDAY
LISTEN TO THIS, MARIKO-KUN
OH YEA
THEY WENT BANKRUPT
I WAS SO SHOCKED
ISN'T AROUND ANYMORE
SUNTOUR
BUT I DON'T WANT TO KEEP TALKING ABOUT BIKES TODAY, SO I'LL PASS
I'D LIKE TO ASK YOU HOW THAT PUTS YOU IN A BIND,
THAT SURE PUTS ME IN A BIND---

HE HASN'T COME EVEN ONCE EVER SINCE THAT
WHAT ABOUT HIM?
EVEN THOUGH YOU HAD THE TIME
YOU DIDN'T COME HERE IN THE LAST 4 DAYS EITHER,
THAT BAD, HUH
WHAT'S OUR ORDER? SINCE YOU'RE GOING TO COME EVERY DAY, I'LL GIVE YOU LOTS OF EXTRAS ON THE HOUSE
NO... I'LL PASS
TOMORROW IS SATURDAY
HE MIGHT COME
YOU TWO SURE ARE POLAR OPPOSITES



NO, I'M GOOD
YOU SHOULD COME TOO, NORI
THEN, SEE YOU LATER
HUH
SHOPPING FOR BIKES
